## **AMENDED BURSARY PROGRAM**

The Bostock and Fallis families have ranched in the Monte Creek area of BC since 1888. During that time, they have been instrumental in the development and activities within the Interior of BC from politics, newspapers, charitable organizations, cattle organizations and the 4-H movement. To give back to the community, a Fund was established through the BC Interior Community Foundation to award two annual bursaries as well as provide donations to various charities within the area serviced by the BC Interior Community Foundation.

### **Bursary Program Description**
